Monday's Theme: Snap The Snail

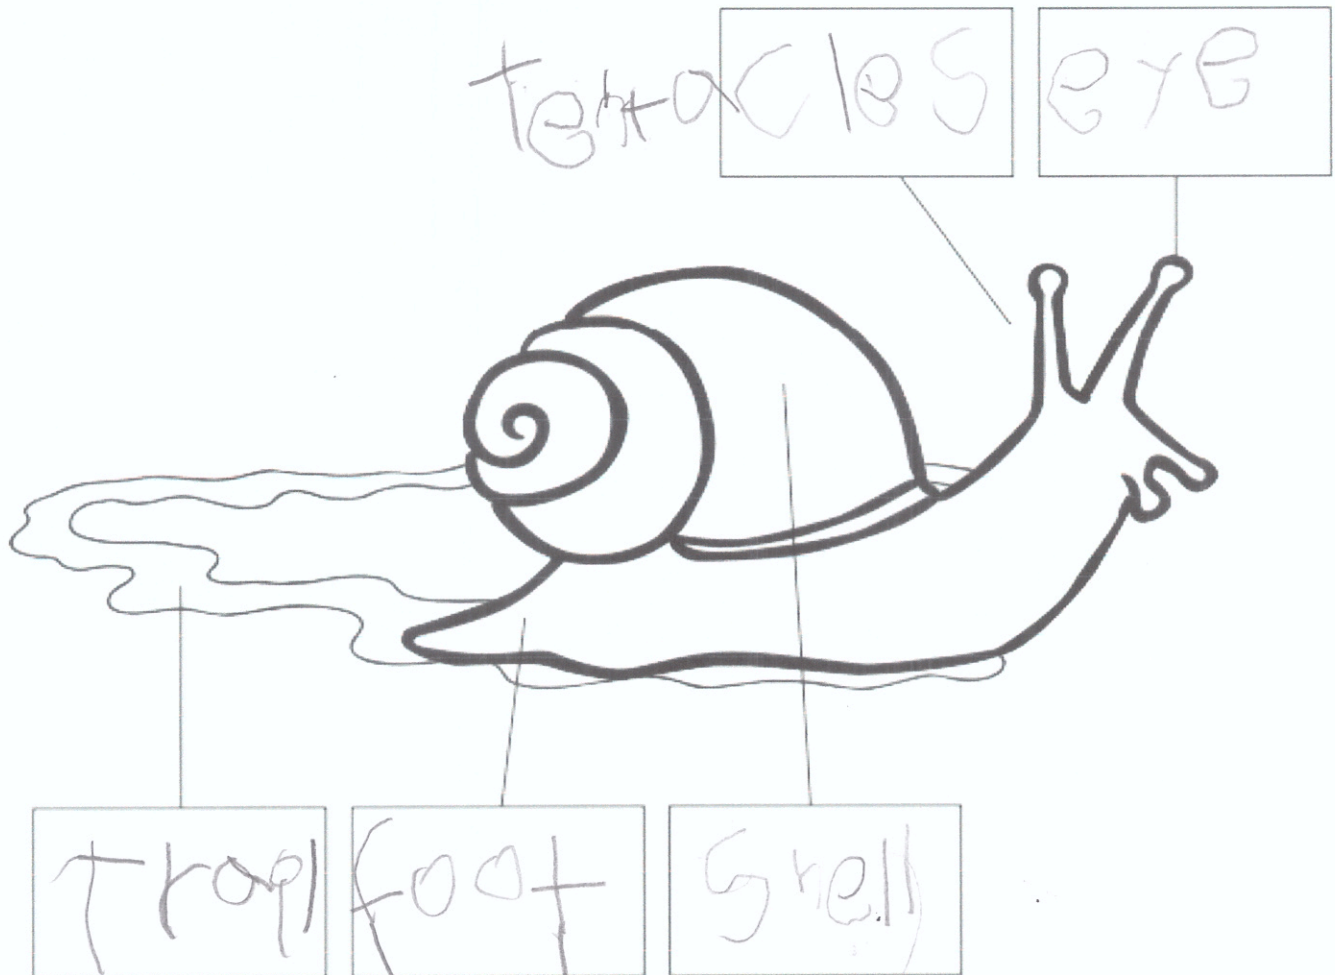

Read the story 3 times. Color in a star 
each time you read. Then illustrate the story.

Snap is a snail. She has a big shell. She loves to go slow. Snap has a cap on her head. Snap is a silly snail.

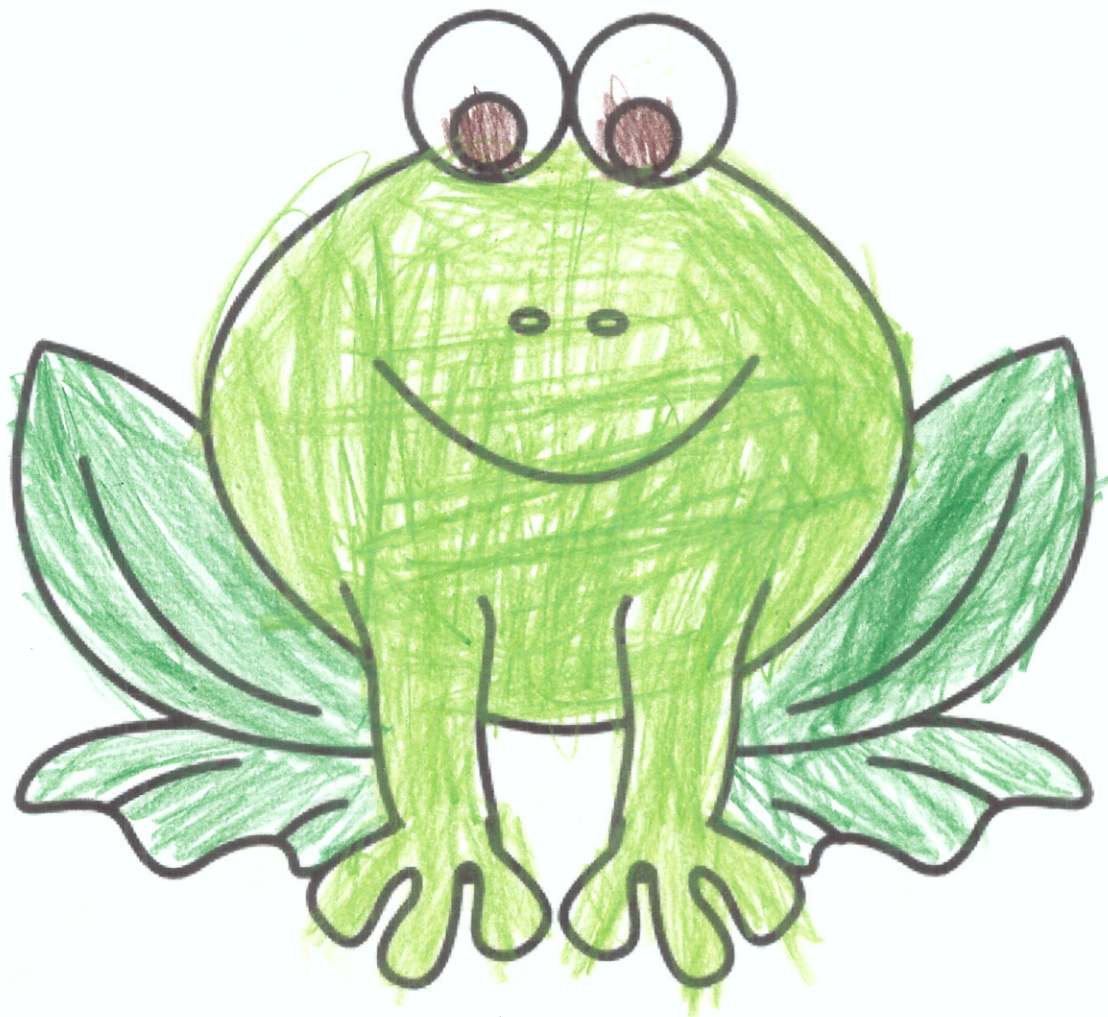

Monday's Theme: Parts of a Snail

Label the parts of the snail with the given words below.

eye	shell	foot
trail	tentacles	

Tuesday's Theme: F is for Frog

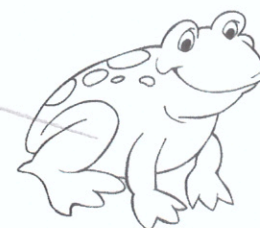

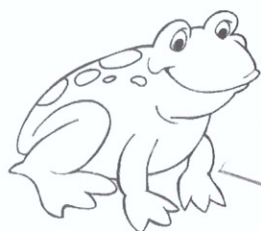

F is for Frog

F is for Frog

Tuesday's Theme: Match the Frog

Draw a line from the frog on the left to the matching frog on the right.

Wednesday's Theme: Bird

Name: JULIANP

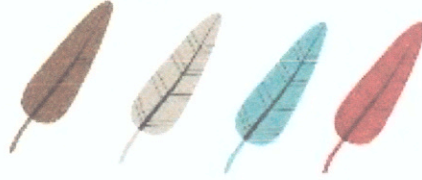

What is a Bird?

While you read about birds, trace the dotted words!

A **BIRD**  is a living thing. A bird needs

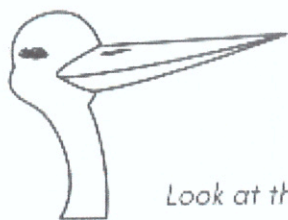

AIR  **FOOD** and **WATER**  to live.

All birds have **FEATHERS**  which help them fly and keep them warm and dry.

BEAKS  are what we call bird's mouths.

Beaks can be very **BIG**  or very **SMALL** 

depending on what a bird eats. Short, thick beaks are good for eating **SEEDS**  off the ground while thin beaks are better for eating **BUGS**  out of plants.

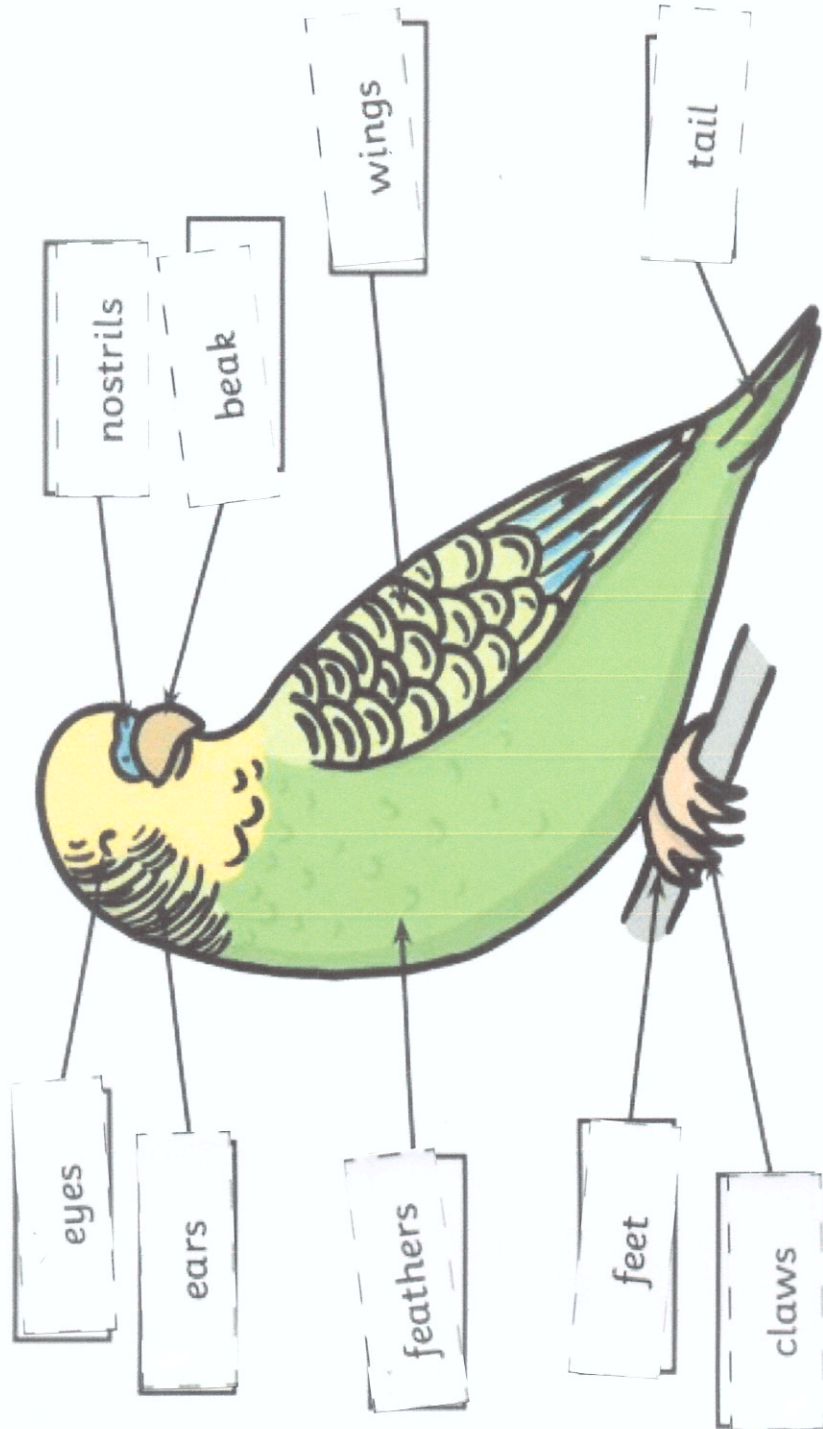

Look at these birds' beaks. What do you think they eat?
